SOUTH: Florence Ave.  
EAST: Long Beach (710) Fwy., Atlantic Blvd.  
WEST: Central Ave., Alameda St.

East Los Angeles Doctor's Hospital (ELA) is located in WMH's defined service area. Patients from incident locations within the service area shall be transported to either of the two hospitals based on which is most accessible. Patients from incident locations outside WMH's service area shall not be transported to ELA.

Patients from incident locations outside the service area (including the Western boundary which is not covered by other service area hospitals) should be transported to either LAC+USC Medical Center or Queen of Angels/Hollywood Presbyterian Medical Center.

ELA may request diversion due to ED Saturation. In this instance, patients shall be transported to WMH. When ELA has requested diversion, patients shall be transported to WMH.
